Fixed-Price — FAR Subpart 16.2.....	1-5
Firm-Fixed-Price (FFP).....	1-5
Firm-Fixed-Price with Economic Price Adjustment (FFP w/EPA).....	1-6
Fixed-Price Redeterminable (FPR).....	1-6
Fixed-Price Incentive (FPI).....	1-6
Fixed-Price Award Fee (FPAF) .....	1-7
Accounting implications .....	1-7
Cost Reimbursement — FAR Subpart 16.3.....	1-7
Cost-Plus-Fixed-Fee (CPFF).....	1-7
Cost-Plus-Incentive-Fee (CPIF).....	1-8
Cost-Plus-Award-Fee (CPAF) .....	1-8
Cost Type.....	1-8
Cost Sharing .....	1-8
Contractual instruments from the financial perspective.....	1-8
Understanding contract types in applying the magic circle .....	1-10
Accounting implications of an effective cost collection system .....	1-13
Financial and Cost Rules — Guidance in Federal Procurement.....	1-14
Public laws .....	1-14
The Office of Federal Procurement Policy (OFPP) Act.....	1-15
The Competition in Contracting Act (CICA).....	1-15
The Truth in Negotiations Act (TINA).....	1-15

The Contract Disputes Act (CDA) .....	1-15
The Federal Acquisition Streamlining Act of 1994 (FASA).....	1-16
The Federal Acquisition Reform Act of 1996 (FARA).....	1-17
Other laws .....	1-17
Federal Acquisition Regulation (FAR) .....	1-18
Agency Supplemental Regulations .....	1-19
Cost Accounting Standards (CAS).....	1-20
The FAR cost principles.....	1-21
Using the magic circle to describe CAS .....	1-27
What Are General and Administrative (G&A) Costs?.....	1-28
Generally Accepted Accounting Principles (GAAP).....	1-29
FAR Cost Principles — Part 31 .....	1-30
Generally Accepted Auditing Standards (GAAS).....	1-30
Understanding the significance of cost rules and issues in proposal development.....	1-30
Parameters for using the magic circle .....	1-31
Understanding the magic circle.....	1-35
Intermediate or re-allocable cost pool .....	1-39
Overhead cost pools — the retroactive effect of rates .....	1-41
Allowable versus unallowable cost .....	1-44
General and administrative cost pools.....	1-48
Independent Research & Development/Bid & Proposal Costs .....	1-52
Unallowable costs in G&A.....	1-53
Charts .....	1-55
Figures.....	1-61

## **Chapter 2** **Government Procurement Process, Information Gathering and Marketing**

Government Procurement Process .....	2-1
Determining the agency's need .....	2-2
Acquisition plan .....	2-2
Developing the request for proposals .....	2-2
The initial steps of issuing the RFPs .....	2-3
Source selection and evaluation process.....	2-3
Information Gathering .....	2-4
FOIA as an information gathering tool .....	2-5

Information gathering steps to take.....	2-6
Stay consistent.....	2-6
Get to know the key personnel.....	2-6
Invite key personnel to get to know your company .....	2-7
Marketing .....	2-8
Unsolicited proposals.....	2-9
Lobbying .....	2-10

## **Chapter 3**

### **Preparing Your Company for Government Business**

Solicitations.....	3-2
Sealed bids .....	3-2
Request for Proposals/Quotations.....	3-3
Full and open competition .....	3-4
Small business classifications .....	3-4
Limitations .....	3-5
Before the RFP is issued .....	3-5
Initial Review of RFP.....	3-6
Now is the time to ask questions.....	3-7
Understanding the contract .....	3-8
The basic parts of the contract .....	3-8
The ‘changes’ clause .....	3-8
Assessing contractor risks.....	3-10
Special contract clauses.....	3-11
Understanding the Scope of Work .....	3-12
Developing Statements of Work .....	3-13
Proposals .....	3-13
Making the proposal process easier .....	3-14
Pricing and estimating strategies .....	3-14
What is certified cost or pricing data?.....	3-15
Commercial pricing .....	3-15
Indirect/Overhead Rates.....	3-17
The role of the entity’s business teams and leadership .....	3-19
Now May Be the Time to Protest.....	3-20
Setting milestones .....	3-20

The Bid/No-Bid Decision .....	3-20
Market research.....	3-21
Historical data .....	3-21
Know the competition.....	3-21
Business strategy.....	3-21

## Chapter 4

### The Proposal Development Process

The Initial Process.....	4-1
Establishing the winning team .....	4-1
Program manager .....	4-2
Proposal manager .....	4-2
Technical manager .....	4-3
Other team members .....	4-3
Evaluating for potential organizational conflict of interest .....	4-3
Underlying principles of OCI.....	4-3
What to look for during the assessment .....	4-4
What is systems engineering? .....	4-5
Additional assessment considerations.....	4-5
OCI waivers .....	4-5
Mitigation plans .....	4-5
Evaluating personal conflicts of interest.....	4-6
Underlying principles of personal conflicts of interest .....	4-6
What to look for during the assessment .....	4-6
Mitigation plans .....	4-7
The ‘kick-off’ .....	4-7
Establishing procedures for the proposal team .....	4-8
Establishing a format for the proposal response .....	4-8
Developing the compliance checklist .....	4-9
The proposal/contract work breakdown structure.....	4-10
The Continuing Process .....	4-11
Developing the risk analysis .....	4-11
Subcontracting decisions .....	4-11
Teaming/joint ventures.....	4-13
Make or buy determination .....	4-16

## **Chapter 5**

### **Proposal Themes and Content — Telling Your Story**

Proposal Themes .....	5-1
Discriminators.....	5-2
Key issues .....	5-2
Proposal themes/strengths/strategies .....	5-3
Customer needs and constraints.....	5-3
Proposal Content.....	5-4
Technical volume .....	5-5
Management volume.....	5-5
Cost or pricing volume.....	5-6
Understanding the factors of costs .....	5-6
Past performance.....	5-11
Executive summaries .....	5-12
Letters of commitment/agreements.....	5-12
Marketing materials .....	5-12
Résumés, certifications, permits and licenses.....	5-13
Title page.....	5-13
Taking exception to terms and conditions.....	5-13

## **Chapter 6**

### **Proposal Organization, Preparation and Delivery**

Proposal Organization .....	6-1
Organizing the response.....	6-1
Page limitations.....	6-1
Formats and page sizes.....	6-2
Compliance matrix .....	6-2
Proposal volume consistency .....	6-2
Graphics/artwork/photographs.....	6-2
Production and binding.....	6-3
Quality control .....	6-3
Protecting proprietary/business confidential data .....	6-4
Final Proposal Preparation .....	6-4
Management review and approval .....	6-4

Red Team reviews.....	6-4
Legal analysis and protest prevention.....	6-5
Proposal Delivery.....	6-5

## **Chapter 7 The Next Steps and Follow Up**

Next Steps .....	7-1
Competitive range determination.....	7-1
Award on initial proposals .....	7-2
Discussions .....	7-2
Oral presentations .....	7-3
Review the solicitation.....	7-3
Ask about topics to be covered .....	7-4
Ask if presentation will be used solely for evaluation or is it part of the offer.....	7-4
Mark all briefing materials with a proprietary legend .....	7-4
Avoid problems .....	7-5
Final proposal revision.....	7-5
Proposal party .....	7-6
Pre-award survey .....	7-6
Award .....	7-6
The Follow-up.....	7-7
Debriefing — Awardee.....	7-7
Debriefing — disappointed bidder/offorer.....	7-7
Sample debriefing questions .....	7-9
What to do after the briefing .....	7-10
Protest — file or walk away?.....	7-11
‘Lessons learned’ analysis.....	7-11
Preparing for the next time .....	7-12

## **Chapter 8 Government Audits**

Audit Considerations/Risks.....	8-1
Primary audit agencies.....	8-1
Entrance and exit conferences .....	8-3

Pre-award audits/survey.....	8-3
Post-award audits .....	8-3
Managing Audits .....	8-4
Managing DCAA Audits (10 Keys to Success) .....	8-4
What is a successful DCAA audit?.....	8-4
The 10 recommendations.....	8-5
Recommendation 1: Insist on an entrance conference.....	8-5
Recommendation 2: Appoint an internal liaison.....	8-6
Recommendation 3: Assemble the management team.....	8-7
Recommendation 4: Establish an accurate, accessible record-keeping system .....	8-7
Recommendation 5: Be responsive.....	8-8
Recommendation 6: Maintain a detailed log .....	8-9
Recommendation 7: Do not allow the audit to exceed the agreed scope.....	8-9
Recommendation 8: Insist on a list of required interviews.....	8-10
Recommendation 9: Review the preliminary findings at the function/department level.....	8-11
Recommendation 10: Insist on an exit conference at the company level .....	8-11
Conclusion: 10 steps can make for a successful audit process .....	8-12

## **Conclusion**

### **Resources: Exhibits**

Exhibit A: Standard Form 26 .....	R-3
Exhibit B: CPIF Contract — Cost Over- and Under-Run Implication .....	R-4
Exhibit C: Key Clauses .....	R-5
Exhibit D: Truth in Negotiations Act .....	R-49
Exhibit E: Cost Accounting Standards.....	R-65
Exhibit F: Helpful Web Sites .....	R-75
Exhibit G: Standard FOIA Letter .....	R-82
Exhibit H: Business Opportunity Evaluation Form .....	R-83
Exhibit I: Sample Survey Form.....	R-85
Exhibit J: GAO Protest Timetable.....	R-87
Exhibit K: Proposal Preparation Schedule.....	R-90
Exhibit L: Review Team Response Sheet .....	R-93
Exhibit M: Proposal Assignment Chart.....	R-102
Exhibit N: Solicitation Compliance Checklist .....	R-103

Exhibit O: Sample Due Diligence Checklist.....	R-110
Exhibit P: Proposal Theme Summary Sheet .....	R-113
Exhibit Q: Pricing Schedule Example.....	R-114
Exhibit R .....	R-116
Standard Form 1403.....	R-116
Standard Form 1404.....	R-118
Standard Form 1405.....	R-119
Standard Form 1406.....	R-123
Standard Form 1407.....	R-125
Standard Form 1408.....	R-128
Exhibit S: Sample Debriefing Request.....	R-130
