### Part 1301 (cont’d)

Factors Considered for Denial of a Registration Versus
Factor Considered for Suspension/Revocation .................. 25
Immediate Suspension .................................................. 25
Actions Following Order of Suspension or
Revocation ...................................................................... 25
Order to Show Cause (OSC) ............................................. 25

**Hearings — §§1301.41-1301.46** ..................................... 25

Hearings Generally ....................................................... 25
Purpose of Hearing ......................................................... 26
Summary Action ............................................................ 26
Request for Hearing or Appearance ............................... 26
Final Order ....................................................................... 26
Burden of Proof ................................................................ 26
Practice Tool: Legal Nuggets From DEA Revocation
Proceedings .................................................................... 27

**Modification, Termination or Transfer of Registration —
§§1301.51–1301.52**......................................................... 59

Modification .................................................................... 59
Modification of Registration for Purpose of
Becoming a Collector ..................................................... 59
Termination; Transfer of Registration .............................. 59
Distribution of Controlled Substances ......................... 60

**Security Requirements — §§1301.71–1301.76** .............. 60

Security Standards .......................................................... 60
DEA Rescheduling of Substances ................................. 60
DEA Advance Approval of Security Systems ............... 61
Requirements for Collectors — Disposal ....................... 61
Security Requirements for Storage of Schedule I and
Schedule II Substances (Non-Practitioners) .................. 61
Security Requirements for Storage of Schedule III, IV and
V Substances (Non-Practitioners) ................................. 61
Manufacturing Areas ....................................................... 62

GHB (Gamma-Hydroxybutyric Acid) in Drug Trials
Approved by the Food and Drug Administration ....... 62

Other Security Controls for Non-Practitioners ............... 62

Special Procedures for Carfentanil, Etorphine
Hydrochloride, and Diprenorphine ............................... 63

Narcotic Treatment Programs —
Special Requirements .................................................. 63
Delivery of Narcotics ...................................................... 64
Dispensing of Narcotic Drugs ....................................... 64

Practitioners’ Security Requirements ............................ 64

Physical Security Controls for Practitioners ................. 64
Pharmacies and Institutional Practitioners ................. 64
Carfentanil, Etorphine Hydrochloride, Diprenorphine —
Special Requirements .................................................. 65

Other Security Controls for Practitioners ..................... 65

Security Controls for Freight Forwarding Facilities .......... 65

**Employee Screening Procedures for Non-Practitioners —
§§1301.90–1301.93**......................................................... 66

Employee Screening Procedures ...................................... 66
Employee Responsibility to Report Drug Diversion .......... 66
Illicit Activities by Employees ......................................... 66

### Part 1302 — Labeling and Packaging Requirements for Controlled Substances

**Introduction** ..................................................................... 1

**Definitions** .................................................................... 1

**Label Requirements — §§1302.03-1302.07** .................. 1

The “C” Symbol ................................................................ 1
Exceptions ........................................................................ 1
Import/Export ................................................................... 2

**Location and Size of the Symbol on the**

Label and Labeling .......................................................... 2

**Effective Dates of Labeling Requirements — §1302.05** .... 2

**Sealing of Controlled Substances** .................................. 2

Exempt Chemical Preparations; Containers
Distributed to Patients ....................................................... 2

Text of Part 1302 Regulations ........................................... 13

### Part 1303 — Quotas

**Introduction** ..................................................................... 1

**Definitions** .................................................................... 1

**Aggregate Production Quotas — §1303.11** ................. 2

Procurement Quotas — §1303.12 .................................... 2

Adjustments of Aggregate Production Quotas — §1303.13... 4

Individual Manufacturing Quotas — §§1303.21-1303.27 .... 4

Conversion Factors .......................................................... 4

**Hearings — §§1303.31-1303.37**................................. 5

Procedures ........................................................................ 5

Burden of Proof ................................................................ 5

Production of Egonine — Statement of Policy ............... 5

Text of Part 1303 Regulations ........................................... 17

### Part 1304 — Records & Reports of Registrants

**Introduction** ..................................................................... 1

**Definitions** .................................................................... 1

**Persons Required to Keep Records and File**

Reports — §1304.03 ............................................................ 2

Coincident Activities ....................................................... 2

Exceptions to the General Recordkeeping
Requirements for Individual Practitioners ................... 3

Electronic Prescription, Electronic Pharmacy
Application Providers ....................................................... 3

When Records are Required for Administering Drugs ..... 3

Form of Records for Individual Practitioners ............... 4

Mid-Level Practitioners (MLPs) ...................................... 4

Exceptions for Research and Teaching .......................... 5

Complimentary Samples .................................................. 5

Freight Forwarding Facilities ......................................... 5

**Maintenance of Records and Inventories — §1304.04** ...... 5

Period of Retention — Location ....................................... 5

Central Recordkeeping ..................................................... 5

General Inventory and Recordkeeping
Requirements ............................................................... 6

Pharmacies ................................................................. 6

Readily Retrievable .......................................................... 7
Part 1304 (cont’d)

Pharmacy Recordkeeping…………………………………….. 7
Table of Options for Filing of Prescriptions by
Pharmacies……………………………………………………… 7
Records of Central Fill Pharmacies and
Retail Pharmacies — §1304.05………………………………… 8
Records and Reports for Electronic
Prescriptions — §1304.06……………………………………… 8
Credential Service Providers/Certification Authorities…… 8
Inventory Requirements — §1304.11……………………… 9

Key Dates………………………………………………………. 9
Inventories for Coincident Activities ……………………… 9

What Must Be Included in the Inventories of Various
Registrants……………………………………………………… 9
Manufacturers………………………………………………….. 9
Other Registrants…………………………………………… 10

Multiple Inventory Requirement, Exceptions……… 10
Continuing Records — §§1304.21–1304.25………………… 11
General Principles…………………………………………… 11
Basic Requirements………………………………………. 12
†Disposal of Controlled Substances……………………… 12
Manufacturers — §1304.22(a)………………………………… 12
Distributors — §1304.22(b)…………………………………… 13
Dispensers and Researchers — §1304.22(c)………………… 13
Individual Practitioners………………………………………. 13
Special Requirement of Drugs Containing Gamma-
Hydroxybutyric Acid (GHB)………………………………… 13
Others…………………………………………………………. 13

Importers, Exporters — §1304.22(d)……………….. 14
Reverse Distributors — §1304.22(e)…………………. 14
Chemical Analysts — §1304.23……………………………. 14
The Importance of Accuracy in Recordkeeping —
A “Case” Study……………………………………………… 14
Maintenance, Treatment and Detoxification
Treatment Programs — §1304.24………………………….. 15
Treatment Programs That Compound Narcotics —
§1304.25……………………………………………………… 16

Additional Recordkeeping Requirements Applicable To
Drugs Containing Gamma-Hydroxybutyric Acid
(GHB) — §1304.26…………………………………………… 16
Special Narcotics Reports — §§1304.31–1304.32…………… 16
Reports to ARCOS — §1304.33…………………………… 17
Special Requirements for Online Pharmacies……… 17

Text of Part 1304 Regulations…………………………… 27

Part 1305 — Orders for Schedule I and
Schedule II Controlled Substances

Introduction…………………………………………………… 1
Background ……………………………………………………. 1

When Order Forms Are Not Required — §1305.03 ……… 1
Persons Entitled to Order Schedule I and Schedule II
Controlled Substances — §1305.04……………………… 2
Power of Attorney — §1305.05…………………………… 2

Persons Entitled to Fill Orders for Schedule I and
Schedule II Controlled Substances — §1305.06…………… 3
Special Procedures for Filling Orders for Carfentanil,
Etorphine Hydrochloride or Diprenorphine — §1305.07,. 4
Obtaining Order Forms — §1305.05………………………. 4
Procedure for Executing Order Forms — §1305.12………… 5
Triplicate Forms……………………………………………… 5
Line Items…………………………………………………….. 5
Supplier Information………………………………………… 5
Signature………………………………………………………. 5
Cancellation and Voiding of Order Forms…………………… 6
Recordkeeping of Order Forms…………………………… 6

Procedure for Filling Order Forms — §1305.13…………… 6
Endorsing Order Forms — §1305.14…………………….. 7
Unaccepted and Defective Order Forms — §1305.15……… 7
Lost or Stolen Order Forms — §1305.16………………… 8
Preserving Order Forms — §1305.17……………………… 8

Return of Unused Order Forms — §1305.18………………… 8
Cancellation and Voiding of Order Forms — §1305.19……… 8

Purchaser……………………………………………………… 8
Supplier………………………………………………………. 9

Analytical Laboratories – Anonymous Testing…………………. 9

Guidelines for Analytical Laboratories Conducting
Analyses of Anonymous Samples………………………… 9
Requirements for Electronic Orders — §1305.21…………… 11

Procedure for Filling Electronic Orders — §1305.22……… 11
Endorsing Electronic Orders — §1305.23…………………. 11
Central Processing of Orders — §1305.24………………… 11

Unaccepted and Defective Orders — §1305.25……………… 12
Lost Electronic Orders — §1305.26…………………. 12
Preservation of Electronic Orders — §1305.27……………. 12
Canceling and Voiding Electronic Orders — §1305.28………. 13

Reporting to DEA — §1305.29…………………………… 13

Text of Part 1305 Regulations…………………………… 21

Part 1306 — Prescriptions

Scope…………………………………………………………. 1

Electronic Prescriptions………………………………….. 1

Online Pharmacies………………………………………… 1

Issuing and Filling of Controlled Substances Prescriptions —
§§1306.03–1306.07…………………………………… 2
Who Can Issue a Prescription…………………………….. 2
Authorization……………………………………………….. 2
Registration………………………………………………… 2

Purpose — §1306.04………………………………………… 2

DOJ Policy Statement: Dispensing of Controlled
Substances for the Treatment of Pain………………….. 3
Dispensing of Controlled Substances for the Treatment of
Pain — Interim Policy Statement of Nov. 16, 2004, and
Clarification of Aug. 26, 2005…………………………… 19

Prescriptions May Not Be Used To Assist Suicide……….. 27

DOJ Interpretive Rule on Dispensing of
Controlled Substances to Assist Suicide……………….. 27
Table of Contents

Part 1306 (cont’d)
Memorandum for the Attorney General Re: Whether Physician-Assisted Suicide Serves a “Legitimate Medical Purpose” Under the Drug Enforcement Administration’s Regulations Implementing the Controlled Substances Act .................................................. 30
Format and Manner of Issuance of a Prescription ..................... 48
Special Requirement of Drugs Containing Gamma-Hydroxybutyric Acid (GHB) .................................................. 49
Special Requirement for Drugs Intended for Detoxification Treatment or Maintenance
Treatment — §1306.05(a) .................................................. 49
Warning Label .................................................................. 49
Exemptions from Prescription and Labeling
Requirements of Part 1306 .................................................. 50
Who Can Fill Prescriptions .................................................. 50
Administering or Dispensing Narcotic Drugs ......................... 50
DOJ Policy Statement: Role of Authorized Agents in Communicating Controlled Substance Prescriptions to Pharmacies .................................................................................. 51
Electronic Prescriptions — §1306.08 ...................................... 61
Prescription Requirements for Online Pharmacies — §1306.09 .................................................. 61
Special Rules for Writing, Filling and Filing Schedule II Prescriptions — §§1306.11–1306.14 .................................................. 62
Emergency Oral Prescriptions .............................................. 62
Emergency Situations — Special Dear Practitioner
Letter of Aug. 6, 2009 .................................................. 63
Home Infusion Pain Therapy and Patients in Long-Term Care Facilities (LTCFs) .................................................. 64
Patients Enrolled in Hospice Programs ..................................... 65
Refilling Schedule II Prescriptions; Issuance of Multiple Prescriptions .................................................. 65
Partial Filling of Schedule II Prescriptions ..................... 66
Long-Term Care Facilities — Patients With Terminal Illnesses .................................................. 66
Computerized Records .................................................. 66
Labeling of Schedule II Prescriptions .................................. 67
Filing Schedule II Prescriptions .................................. 67
Provision of Prescription Information for Schedule II Drugs Between Retail Pharmacies and Central Fill Pharmacies — §1306.15 .................................................. 67
Special Rules for Writing, Filling and Filing Schedule III or Schedule IV Prescriptions — §§1306.21–1306.26 .................................................. 67
Prescription Requirement .................................................. 67
Rx Not Required for Physicians .................................................. 68
Date of Filling by Pharmacy of Multiple Prescriptions for Schedule II Drugs — §1306.14(e) .................................................. 68
Refilling Schedule III or Schedule IV Prescriptions .................. 68
Computerized Refill Information Systems for Schedule III and Schedule IV Drugs .................................................. 68
Labeling and Filing Schedule III, Schedule IV or Schedule V Prescriptions .................................................. 69
Transfer of Prescription Information for Schedule III, Schedule IV, and Schedule V Drugs .................................................. 70
Electronic Prescriptions .................................................. 70
Text of Part 1306 Regulations .................................................. 79

Part 1307 — Miscellaneous
General Information — §§1307.01–1307.03 .................................................. 1
Introduction .................................................. 1
Application of State and Other Federal Laws .................................................. 1
Obtaining Special Relief from DEA Regulations .................................................. 1
Special Exceptions for Manufacture and Distribution of Controlled Substances — §§1307.11–1307.15 .................................................. 1
Distribution by Pharmacies to Physicians .................................................. 1
Shipment to a Reverse Distributor .................................................. 2
Returning Substances to Suppliers .................................................. 2
Incidental Manufacture of Controlled Substances .................................................. 2
Peyote Exemption — Native American Church .................................................. 3
Text of Part 1307 Regulations .................................................. 15

Part 1308 — Schedules of Controlled Substances
General Information .................................................. 1
Definitions .................................................. 1
Administration Controlled Substances Code Number .................................................. 1
Schedules .................................................................. 1
Schedule I .................................................................. 2
Interpretation and Clarification of Listing of Tetrahydrocannabinols (THC) in Schedule I .................................................. 2
Schedule II .................................................................. 11
Statement of Policy Regarding Dronabinol .................................................. 12
Schedule III .................................................................. 13
Anabolic Steroids .................................................. 14
Schedule IV .................................................. 14
Schedule V .................................................. 15
Controlled Substance Analogues .................................................. 15
Excluded Non-Narcotic Over-the-Counter Substances .................................................. 15
Exempt Chemical Preparations .................................................. 15
Excluded Veterinary Anabolic Steroid Implant Products .................................................. 17
Exempted Prescription Products .................................................. 20
Exempt Anabolic Steroid Products .................................................. 20
Exemption from Control of Certain Industrial Products and Materials Derived from the Cannabis Plant .................................................. 23
Hearings Relating to Control of Substances .................................................. 23
Initiation of Scheduling Proceedings .................................................. 24
Request for Hearing; Waiver .................................................. 24
Burden of Proof .................................................. 24
Final Order .................................................. 25
Control Required Under International Treaty .................................................. 25
Immediate Precursors .................................................. 25
Emergency Scheduling .................................................. 25
Judicial Review .................................................. 25
List of Scheduling Changes .................................................. 25
Administrative Changes to the CSA Schedules of Substances—Table I–Additions .................................................. 25
Administrative Changes to the CSA Schedules of Substances—Table II–Transfers .................................................. 29
Administrative Changes to the CSA Schedules of Substances—Table III–Removals .................................................. 30
Text of Part 1308 Regulations .................................................. 37
Part 1309 — Registration of Manufacturers, Distributors, Importers, and Exporters of List I Chemicals

Background .................................................. 1
General Information — §§1309.01–1309.03 .......................... 1
Retail Distribution of O-T-C Drug Products Containing Ephedrine, Pseudoephedrine and Phenylpropanolamine ........................................ 2
Fees for Registration and Reregistration, Payment – §§1309.11–1309.12 .......................... 2
Persons Required to Register – §1309.21 .................................. 2
Separate Registration for Independent Activities – §1309.22 ........... 3
Separate Registration for Separate Locations – §1309.23 ........... 3
Waiver of Registration Requirement for Certain Activities – §1309.24 .......................................... 4
Temporary Exemption from Registration for Chemical Registration Applicants – §1309.25 .......................................... 5
Applications for Registration — §§1309.31–1309.36 .......................... 5
Time for Application; Expiration Date — §§1309.31 .......................... 5
Forms, Content, Signature — §§1309.32 .................................. 5
Filing — §§1309.33 ........................................ 5
Acceptance for Filing, Defective Applications; Additional Information — §§1309.34–1309.35 ............... 6
Amendment to and Withdrawal of Applications — §1309.36 .......................................... 6
DEA's Actions on Applications — §§1309.41–1309.46 .......................... 6
General ........................................ 6
Suspension or Revocation of Registration ................................ 7
Hearings on Denial, Suspension and Revocation — §§1309.51–1309.55 .......................................... 8
General ........................................ 8
Purpose ........................................ 8
Waiver or Modification of Rules ........................................ 8
Request or Waiver for Hearing; Burden of Proof ...................... 8
Time and Place of Hearing; Final Order .............................. 8
Modification, Transfer, and Termination of Registration — §§1309.61–1309.63 .......................................... 9
Security Requirements — §§1309.71–1309.73 .......................................... 9
Text of Part 1309 Regulations .......................................... 21

Part 1310 — Records and Reports of Listed Chemicals & Certain Machines

Introduction .................................................. 1
Definitions — §1310.01 ........................................ 1
Substances Covered — §1310.02 ........................................ 2
DOJ Final Notice: Special Surveillance List of Chemicals, Products, Materials and Equipment Used in the Clandestine Production of Controlled Substances or Listed Chemicals ........................................ 4
Persons Required to Keep Records and File
Reports — §1310.03 ........................................ 8
Mail-Order Sales of Ephedrine, Pseudoephedrine, Phenylpropanolamine or Gamma Hydroxybutyric Acid (GHB) ........................................ 8
Maintenance of Records — §1310.04 ........................................ 8
Threshold Limits .................................................. 8
Reports — §1310.05 ........................................ 10
Content of Records and Reports — §1310.06 .......................... 11
Annual Reports by Bulk Manufacturers of Listed Chemicals — §§1310.05(d) and 1310.06(h) .......................... 12
Proof of Identity — §1310.07 ........................................ 14
Excluded Transactions — §1310.08 ........................................ 14
Temporary Exemption from Registration — §1310.09 .............. 16
Removal and Reinstatement of Exemption of Drugs Distributed Under the Food, Drug, and Cosmetic Act; Exemptions for Ephedrine — §§1310.10–1310.11 ......................... 17
Exempt Chemical Mixtures — §§1310.12–1310.13 ....................... 17
Removal of Exemption from Definition of Regulated Transaction – §1310.14 ........................................ 18
Exemptions for Certain Scheduled Listed Chemical Products — §1310.16 ........................................ 19
DOJ Notice: Reports of Certain Distributions by Postal Service or Private or Commercial Carriers to Nonregulated Persons ........................................ 19
List of Legal Requirements Applying to Regulated Persons/Regulated Transactions ......................... 21
Sale By Federal Agencies of Chemicals Which Could Be Used In The Illicit Manufacture of Controlled Substances — §1310.21 ........................................ 22
Text of Part 1310 Regulations .......................................... 27

Part 1311 — Requirements for Electronic Orders & Prescriptions

Introduction .................................................. 1
Digital Certificates .................................................. 1
Software requirements .................................................. 1
Electronic Prescriptions .................................................. 1
Public Key Infrastructure and Digital Certificates ......................... 1
Procedures for Obtaining a Digital Certificate ................................ 1
Electronic Prescriptions — §1311.100-1311.305 ................................ 2
Electronic Prescription FAQs .................................................. 10
General ........................................ 10
Implementation of Rule .................................................. 11
Audits and Certification of Applications ................................ 14
Text of Part 1311 Regulations .......................................... 23

Part 1312 — Importation & Exportation of Controlled Substances

Introduction .................................................. 1
Scope and Background — §1312.01 .................................................. 1
Definitions .................................................. 1
Import ........................................ 1
Export ........................................ 2
Permit or Declaration .................................................. 2
Requirement of Authorization to Import — §1312.11 .............. 2
Application for Import Permit — §1312.12 ................................ 3
Issuance of Import Permit — §1312.13 ................................ 3
**Table of Contents**

**Part 1312 (cont’d)**
- Shipments Above or Below Authorized Amount .......... 4
- Lost or Cancelled Permits ........................................ 5
- Special Reports from Importers ................................. 5
- Import Declaration .................................................. 5

**Exportation and Re-Exportation of Controlled Substances** — §§1312.21–1312.28 .................................................. 7
- Permits Versus Declarations ....................................... 7
- Obtaining an Export Permit ....................................... 7
- Re-exportation of Narcotic Controlled Substances .......... 9
- Export Permit ......................................................... 10
- Special Records ..................................................... 10
- Special Controlled Substances Export Invoice ............... 10

**Dronabinol and Other Schedule III, Schedule IV** and Schedule V Drugs Requiring an Import/Export Permit — §1312.30 ........................................ 13

**Transshipment and In-Transit Shipment of Controlled Substances** — §§1312.31 and 1312.32 .......................................... 13
- Schedule I Substances .............................................. 13
- Schedule II, Schedule III, Schedule IV Substances — Advance Notice ..................................................... 14
- Hearings — §§1312.41–1312.47 ..................................... 14

**Use of the Internet in the Importation of Controlled Drugs From Canada and Other Foreign Countries** ........................................... 14

**Text of Part 1312 Regulations** ..................................... 21

**Part 1313 — Importation & Exportation of Listed Chemicals**

**Introduction** .......................................................... 1
**Definitions** — §1313.02 ............................................... 2
**Documenting an “Established Business Relationship” and a “Record as an Importer”** — §1313.05 and §1313.08 ........... 2
**Importation of Listed Chemicals: Requirements of Authorization to Import; Waiver for Acetone, 2-Butanone (MEK), Toluene — §1313.12 .................................. 3

**Contents, Distribution of Import Declaration** — §1313.13 and 1313.14 ..................................................... 3
**Waiver of 15-Day Advance Notice for Regular Importers — §1313.15 ...................................................... 4

**Transfers Following Importation — §1313.16 .......... 4
